**R.S.O. 1897, Chapter 330.****An Act respecting Real Property.***(De Donis Conditionalibus, etc.)*

**H**IS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

Several  
sorts of  
gifts of  
lands upon  
condition;

**1.** First, concerning lands that many times are given upon condition, that is to wit, where any giveth his land to any man and his wife, and to the heirs begotten of the bodies of the same man and his wife, with such condition expressed that if the same man and his wife die without heirs of their bodies between them begotten, the land so given shall revert to the giver or his heir: In case also where one giveth lands in free marriage, which gift hath a condition annexed, though it be not expressed in the deed of gift, which is this, that if the husband and wife die without heir of their bodies begotten, the land so given shall revert to the giver or his heir: In case also where one giveth land to another, and the heirs of his body issuing; it seemed very hard, and yet seemeth to the givers and their heirs, that their will being expressed in the gift, was not heretofore, nor yet is observed: In all the cases aforesaid, after issue begotten and born between them, to whom the lands were given under such condition, heretofore such feoffees had power to alien the land so given, and to disherit their issue of the land, contrary to the minds of the givers, and contrary to the form expressed in the gift: And further, when the issue of such feoffee is failing, the land so given ought to return to the giver, or his heir, by form of the gift expressed in the deed, though the issue, if any were, had died: Yet by the deed and feoffment of them to whom land was so given upon condition, the donors have heretofore been barred of their reversion, which was directly repugnant to the form of the gift: Wherefore . . . it is ordained that the will of the giver, according to the form in the deed of gift manifestly expressed, shall be from henceforth observed; so that they to whom the land was given under such condition, shall have no power to alien the land so given, but that it shall remain unto the issue of them to whom it was given after their death, or shall revert unto the giver or his heirs, if issue fail, either by reason that there

In such  
gifts the  
donor's will  
shall be  
observed.

is no issue at all, or if any issue be, and fail by death, or heir of the body of such issue failing. Neither shall the second husband of any such woman, from henceforth, have anything in the land so given upon condition, after the death of his wife, nor the issue of the second husband and wife shall succeed in the inheritance, but immediately after the death of the husband and wife, to whom the land was so given, it shall come to their issue, or return unto the giver, or his heir, as before is said. . . . 13 Edw. 1 (St. of Westminster Sec.) c. 1, (commonly called "The Statute *De Donis Conditionalibus*").

2. Forasmuch as purchasers of lands and tenements of the fees of great men and other lords, have many times heretofore entered into their fees, to the prejudice of the lords to whom the freeholders of such great men have sold their lands and tenements to be holden in fee of their feoffers, and not of the chief lords of the fees, whereby the same chief lords have many times lost their escheats, marriages, and wardships of lands and tenements belonging to their fees; which thing seemed very hard and extreme unto those lords and other great men, and moreover in this case manifest disheritance: It is therefore provided, and ordained, that from henceforth it shall be lawful to every freeman to sell at his own pleasure his lands and tenements, or part of them, so that the feoffee shall hold the same lands or tenements of the chief lord of the same fee, by such service, and customs as his feoffor held before. 18 Edw. I. c. 1 (commonly called "The Statute *Quia Emptores*").

Freeholders may sell their lands so that the feoffee do hold of the chief lord.

3. And if he sell any part of such lands or tenements to any, the feoffee shall immediately hold it of the chief lord, and shall be forthwith charged with the services, for so much as pertaineth, or ought to pertain to the said chief lord for the same parcel, according to the quantity of the land or tenement so sold: And so in this case the same part of the service shall remain to the lord, to be taken by the hand of the feoffee, for the which he ought to be attendant and answerable to the same chief lord, according to the quantity of the land or tenement sold, for the parcel of the service so sold. 18 Edw. I. c. 2.

Sale of part.

Apportionment of services.

4. And it is to be understood, that by the said sales or purchases of lands or tenements, or any parcels of them, such lands or tenements shall in no wise come into mortmain, either in part or in whole, neither by policy nor craft, contrary to the form of the statute made thereupon. And it is

Mortmain prohibited.

to wit, that this and the two preceding sections of this Act extend only to lands holden in fee simple. 18 Edw. I. c. 3.

\* \* \* \* \*

Warranties  
abolished.

**11.** Lineal and collateral warranties at common law, with all their incidents, are abolished; but the liability of the executors, or administrators, or devisees, of any person who shall have made any covenant, is unaffected by this section. (*See 4 and 5 Anne, c. 3 (or c. 16 in Ruffhead's Ed.) s. 21.*) 2 Edw. VII. c. 1, s. 7.

## SCHEDULE.

### TO THE KING'S MOST EXCELLENT MAJESTY.

Most Gracious Sovereign,

We, Your Majesty's most dutiful and loyal subjects, the Senate and Commons of Canada, in Parliament assembled, humbly approach Your Majesty for the purpose of representing that it is expedient to amend the scale of payments authorized under section 118 of the Acts of the Parliament of the United Kingdom of Great Britain and Ireland, commonly called *The British North America Act, 1867*, or by or under any terms or conditions upon which any other provinces were admitted to the Union, to be made by Canada to the several provinces of the Dominion for the support of their Governments and Legislatures by providing that—

A. Instead of the amounts now payable, the sums hereafter payable yearly by Canada to the several provinces for the support of their Governments and Legislatures be according to population, and as follows:—

- (a) Where the population of the province is under 150,000, \$100,000;
- (b) Where the population of the province is 150,000, but does not exceed 200,000, \$150,000;
- (c) Where the population of the province is 200,000, but does not exceed 400,000, \$180,000;
- (d) Where the population of the province is 400,000, but does not exceed 800,000, \$190,000;
- (e) Where the population of the province is 800,000, but does not exceed 1,500,000, \$220,000;
- (f) Where the population of the province exceeds 1,500,000, \$240,000.

B. Instead of an annual grant per head of population now allowed, the annual payment hereafter be at the same rate of eighty cents per head, but on the population of each province, as ascertained from time to time by the last decennial census, or in the case of the provinces of Manitoba, Saskatchewan, and Alberta respectively, by the last quinquennial census or statutory estimate, until such population exceeds 2,500,000, and at the rate of sixty cents per head for so much of said population as may exceed 2,500,000.

C. An additional allowance to the extent of one hundred thousand dollars annually be paid for ten years to the province of British Columbia.

D. Nothing herein contained shall in any way supersede or effect the terms special to any particular province upon which such province

became part of the Dominion of Canada, or the right of any province to the payment of any special grant heretofore made by the Parliament of Canada to any province for any special purpose in such grant expressed.

We pray that Your Majesty may be graciously pleased to cause a measure to be laid before the Imperial Parliament at its present Session repealing the provisions of section 118 of *The British North America Act, 1867*, aforesaid, and substituting therefor the scale of payments above set forth, which shall be a final and unalterable settlement of the amounts to be paid yearly to the several provinces of the Dominion for their local purposes, and the support of their Governments and Legislatures.

Such grants shall be paid half-yearly in advance to each province, but the Government of Canada shall deduct from such grants as against any province all sums chargeable as interest on the public debt of that province in excess of the several amounts stipulated in the said Act.

All of which we humbly pray Your Majesty to take into your favourable and gracious consideration.

**Imperial Act 22-23 George V, Chapter 4.**

An Act to give effect to certain resolutions passed by Imperial Conferences held in the years 1926 and 1930.

And whereas it is meet and proper to set out by way of preamble to this Act that, inasmuch as the Crown is the symbol of the free association of the members of the British Commonwealth of Nations, and as they are united by a common allegiance to the Crown, it would be in accord with the established constitutional position of all the members of the Commonwealth in relation to one another that any alteration in the law touching the Succession to the Throne or the Royal Style and Titles shall hereafter require the assent as well of the Parliaments of all the Dominions as of the Parliament of the United Kingdom:

And whereas it is in accord with the established constitutional position that no law hereafter made by the Parliament of the United Kingdom shall extend to any of the said Dominions as part of the law of that Dominion otherwise than at the request and with the consent of that Dominion:

And whereas it is necessary for the ratifying, confirming and establishing of certain of the said declarations and resolutions of the said Conferences that a law be made and enacted in due form by authority of the Parliament of the United Kingdom:

And whereas the Dominion of Canada, the Commonwealth of Australia, the Dominion of New Zealand, the Union of South Africa, the Irish Free State and Newfoundland have severally requested and consented to the submission of a measure to the Parliament of the United Kingdom for making such provision with regard to the matters aforesaid as is hereafter in this Act contained:

Zealand.

**9.**—(1) Nothing in this Act shall be deemed to authorize the Parliament of the Commonwealth of Australia to make laws on any matter within the authority of the States of Australia, not being a matter within the authority of the Parliament or Government of the Commonwealth of Australia.

Saving with  
respect to  
States of  
Australia.

(2) Nothing in this Act shall be deemed to require the concurrence of the Parliament or Government of the Commonwealth of Australia in any law made by the Parliament of the United Kingdom with respect to any matter within the authority of the States of Australia, not being a matter within the authority of the Parliament or Government of the Commonwealth of Australia, in any case where it would have been in accordance with the constitutional practice existing before the commencement of this Act that the Parliament of the United Kingdom should make that law without such concurrence.

(3) In the application of this Act to the Commonwealth of Australia, the request and consent referred to in section four shall mean the request and consent of the Parliament and Government of the Commonwealth.

Certain sections of Act not to apply to Australia, New Zealand or Newfoundland unless adopted.

OF COMMONS OF CANADA.

We, Your Majesty's most dutiful and loyal subjects, the Senate and Commons of Canada, in Parliament assembled, humbly approach Your Majesty with the request that Your Majesty may be graciously pleased to cause a measure to be submitted to the Parliament of the United Kingdom, declaring and providing the following to be the westerly, northerly and easterly boundaries of the Province of Ontario, that is to say:—

Commencing at the point where the international boundary between the United States of America and Canada strikes the western shores of Lake Superior, thence westerly along the said boundary to the north-west angle of the Lake of the Woods, thence along a line drawn due north until it strikes the middle line of the course of the river discharging the waters of the lake called Lake Seul, or the Lonely Lake, whether above or below its confluence with the stream flowing from the Lake of the Woods towards Lake Winnipeg, and thence proceeding eastward from the point at which the before-mentioned line strikes the middle line of the course of the river last aforesaid, along the middle line of the course of the same river (whether called by the name of the English River or, as to the part below the confluence, by the name of the River Winnipeg) up to Lake Seul or the Lonely Lake, and thence along the middle line of Lake Seul or Lonely Lake to the head of that lake, and thence by a straight line to the nearest point of the middle line of the waters of Lake St. Joseph, and thence along that middle line until it reaches the foot or outlet of that lake, and thence along the middle line of the river by which the waters of Lake St. Joseph discharge themselves to the shore of the part of Hudson's Bay commonly known as James Bay, and thence south-easterly following upon the said shore to a point where a line drawn due north from the head of Lake Temiscamingue would strike it, and thence due south along the said line to the head of the said lake, and thence through the middle channel of the said lake into the Ottawa River, and thence descending along the middle of the main channel of the said river to the intersection by the prolongation of the western limits of the Seigneurie of Rigaud, such mid-channel being as indicated on a map of the Ottawa Ship Canal Survey made by Walter Shanly, C.E., and approved by order of the Governor-General in Council, dated the twenty-first July, one thousand eight hundred and eighty-six; and thence southerly, following the said westerly boundary of the Seigneurie of Rigaud to the south-west angle of the said Seigneurie, and then southerly along the western boundary of the augmentation of the township of Newton to the north-west angle of the Seigneurie of Longueuil, and thence south-easterly along the south-western boundary of said Seigneurie of New Longueuil to a stone boundary on the north bank of the Lake St. Francis, at the cove west of Point au Baudet, such line from the Ottawa River to Lake St. Francis being as indicated on a plan of the line of boundary between Upper and Lower Canada, made in accordance with the Act 23 Victoria, chapter 21, and approved by order of the Governor-General in Council, dated the 16th of March, 1861.

## Report of the Commissioner.

TO HIS HONOUR ALBERT MATTHEWS,

*Lieutenant-Governor of the Province of Ontario.*

The Commissioner appointed to consolidate and revise the Public Statutes of Ontario, including those of the first session of the Legislature in 1937, has the honour to report the completion of such consolidation and revision in accordance with the provisions of Chapter 6 of the Statutes of Ontario for the first session of the Legislature, 1937, as amended by Chapter 3 of the Statutes of Ontario for the second session of the Legislature, 1937, and now submits herewith a printed Roll containing the same, and constituting "The Revised Statutes of Ontario, 1937", chaptered 1 to 399.

The Commissioner has appended to the said Roll an appendix, marked Appendix "A", showing certain Acts and parts of Acts not repealed by the Revised Statutes of Ontario, 1937, and in force in Ontario subject thereto, and an appendix, marked Appendix "B", showing certain Imperial Statutes and Statutes of Canada relating to the Constitution and boundaries of Ontario.

The Commissioner has also appended to the said Roll a schedule, marked Schedule "A", showing Acts contained in the Revised Statutes of Ontario, 1927, and other Acts of the Legislature of Ontario which are repealed in whole or in part from the day upon which the Revised Statutes of Ontario, 1937, take effect and the extent of such repeal and a schedule, marked Schedule "B", showing Acts and parts of Acts which are repealed, superseded and consolidated in the Revised Statutes of Ontario, 1937, and showing also what portions of the Revised Statutes of Ontario, 1927, and Acts of the Legislature passed thereafter are not consolidated.

The actual work of consolidating and revising the Statutes was commenced immediately following the session of the Legislature held in 1936. A careful examination of all Acts included in the consolidation and revision was completed prior to the conclusion of the first session of the Legislature held in 1937, and accordingly amendments to any of the statutes which were found to be necessary or desirable by reason of the consolidation and revision were enacted during that session.

The completion of the consolidation and revision at this time is made possible by the long experience and unstinted efforts of the regular staff of the Law Clerk's office and the unselfish manner in which those appointed to assist in the work have applied themselves.

Dated at Toronto this 7th day of January, 1938.

ERIC H. SILK,  
Legislative Counsel.

## **Note as to Statute Revisions in the Provinces of Upper Canada, Canada and Ontario.**

The history of the Statute Law applicable to the territory now comprised in the Province of Ontario, dates from 1791.

After the Treaty of Paris, 1763, by which the French possessions in North America were ceded to Great Britain, a Royal Proclamation was issued on the 7th October, 1763, introducing the law of England, both civil and criminal, into the whole of the ceded territory, and forming a portion of it, lying towards the East, into the Province of Quebec. The Governor of the new colony received power and direction "so soon as the state and circumstances of the colony would admit thereof, to summon and call a General Assembly," but until this was done, the Governor and Council were invested with "authority to make such rules and regulations as should appear to be necessary for the peace, order and good government of the Province." In 1774 the Quebec Act, 14 Geo. III. c. 83, was passed, by which French law was re-introduced in civil matters, and the limits of the Province of Quebec were enlarged, so as to include the whole of the territory afterwards formed into Upper Canada. The Quebec Act produced dissatisfaction, especially among the British colonists, and in 1791, the Imperial Act, 31 Geo. III. c. 31, was passed, by which the Province of Quebec as it then existed, was divided into the two Provinces of Upper and Lower Canada; the powers of legislation by the Governor in Council were taken away; and a Legislature was granted to each Province, consisting of the Governor, a Legislative Council, and a Legislative Assembly. The first Parliament of Upper Canada met at Newark, now Niagara, on 18th September, 1792.

1. The first revision of the Statutes in the new Province of Upper Canada was made in 1818. It consisted merely of a collection of the Acts of the Province of Upper Canada in force at that date, together with such Acts of the Imperial Parliament and Ordinances of the former Province of Quebec as affected Upper Canada.

2. In 1831, a collection of the Statutes of Upper Canada, in force at that date, was published by Messrs. Hugh C. Thomson and James Macfarlane, which, though a private enterprise, long supplied the place of a revision by authority.

3. In 1840, was passed the Imperial Act, 3 & 4 V. c. 35, to re-unite the Provinces of Upper and Lower Canada; and the union took effect by proclamation on the 10th February, 1841. A revision was soon after begun of the Statutes of Upper Canada in force at the date of the Union. A commission for the purpose, dated 25th July, 1840, was issued

to the Honourable John Beverley Robinson, the Honourable James B. Macaulay, the Honourable William Henry Draper, and John Hillyard Cameron, Esq., and directed the Commissioners "diligently and carefully to examine and revise the several statutes from time to time passed and enacted by the Parliament of Upper Canada, and then in force and effect; and to make such report upon the premises as in their opinion should be most for the interest, welfare and good government of the Province."

The result of the labours of the Commission was embodied in two volumes, the first containing Public Acts, and the second, Local and Private Acts. The report to the Governor-General, in which the Commissioners announced the completion of the work, is dated 8th March, 1843, and was printed as a preface to the first volume.

In this, as in former revisions, no consolidation strictly speaking of the Statutes was attempted. The various Acts in force were printed as they had been passed, omitting only such portions as had expired or had been repealed, with notes stating the reasons for omissions, and giving the provisions, if any, which the Legislature had substituted for repealed clauses; errors in the text were left uncorrected, except by way of a note directing attention to them; and the revision did not receive authority by legislative adoption, but was nevertheless, by general use, practically substituted for the preceding volumes of Statutes.

4. A revision of the Acts and Ordinances in force in Lower Canada at the date of the Union of Upper and Lower Canada was begun in 1842, and completed in 1845, by a Commission composed of Messrs. A. Buchanan, H. Heney and G. W. Wicksteed. The Commissioners made two reports, which, as well as a prefatory notice, was printed with the volume of Revised Statutes compiled by them.

5. In 1856 was begun the first consolidation, properly so called, of the Statute Law.

Two Commissions were then issued, one on the 7th February, 1856, appointing Messrs. John Hillyard Cameron, Joseph C. Morrison, Adam Wilson, Skeffington Connor, Oliver Mowat, and David B. Read, to examine, revise, consolidate and classify the Public General Statutes affecting Upper Canada only; and a second dated 28th March, 1856, appointing Messrs. A. Polette, Gustavus W. Wicksteed, Andrew Stuart, T. J. J. Loranger, Robert Mackay, and George de Boucherville, to examine, revise, consolidate and classify the Public General Statutes applying exclusively to Lower Canada; and each Commission directed the Commissioners therein named, jointly with the members of the other Commission, to examine, revise, consolidate and classify the Public General Statutes which applied equally to both sections of the Province.

Subsequently the Messrs. Cameron and Morrison resigned, and in their stead respectively the Honourable J. B. Macaulay and S. H. Strong.

Esq., were appointed. Afterwards Dr. Connor and Mr. Mowat also resigned, preparatory to their becoming candidates for election as members of the Legislative Assembly. The Commissioners were in a later stage of the work, and especially during its final revision, assisted by His Honour Judge Gowan, County Court Judge of the County of Simcoe.

The first report of the Commission was made on the 19th April, 1858, and drafts of the Consolidated Statutes for Upper Canada and the Consolidated Statutes of Canada were in 1859 submitted to the Governor-General, accompanied respectively by a report, dated January, 1859, by Sir J. B. Macaulay, the Chairman of the Upper Canada Commission, and a joint report dated 3rd March, 1859, by Sir J. B. Macaulay and Mr. Wicksteed, the acting Commissioner of the Commission for Lower Canada. (*See Sess. Papers, 1859, No. 9.*)

At the sessions of 1859 these two volumes were laid before the Legislative Assembly, and Acts were passed to provide for their coming into force by proclamation.

Pursuant to the provisions of the last mentioned Acts, the enactments of the then Session were incorporated with the consolidation; and the two volumes were by proclamation declared to come into force upon the 5th December, 1859.

On 1st July, 1867, by Proclamation issued under the Imperial Act, 30 and 31 V. c. 3, the Province of Canada was, with the Provinces of Nova Scotia and New Brunswick, formed into the present Dominion of Canada. By that Act known as "The British North America Act, 1867," the two divisions of the Province of Canada were once more constituted separate Provinces, Upper Canada being called the Province of Ontario, and Lower Canada the Province of Quebec, and the power of legislation was divided between the Parliament of the Dominion and the Legislatures of the Provinces in manner defined by the Act.

6. "The Revised Statutes of Ontario" were prepared by a Commission appointed 24th July, 1874, composed in the first instance of the late Honourable William Henry Draper, Chief Justice of Appeal; the Honourable Samuel Henry Strong, Honourable George William Burton, and Honourable Christopher Salmon Patterson, Justices of Appeal; the Honourable Oliver Mowat, Attorney-General; and Messrs. Thomas Langton, Charles R. W. Biggar and Rupert Etherege Kingsford, Barristers-at-Law. The Honourable Thomas Moss upon his appointment as Justice of Appeal, the Honourable Samuel Hume Blake, Vice-Chancellor, and His Honour Judge Gowan, County Court Judge of the County of Simcoe, were subsequently added to the Commission.

The work of the Commission was three-fold:

*First.* To examine, revise, consolidate and classify such of the Public General Statutes, passed by the Parliament of the Province of

Canada and applying to Ontario as were within the legislative authority of the Legislature of Ontario;

*Secondly.* To examine and arrange in the manner most convenient for reference such of the Public General Statutes passed by the Parliament of the Province of Canada and applying to Ontario as were not within the legislative authority of the Legislature of Ontario; and also the Statutes passed by the Parliament of the Dominion of Canada and affecting Ontario;

*Thirdly.* To examine and arrange in the manner most convenient for reference the Statutes of the Imperial Parliament, printed with the Consolidated Statutes of Canada in 1859, as well as all Statutes since passed by the Imperial Parliament.

This Commission made three reports, dated respectively 12th December, 1874, 11th December, 1875, and 30th December, 1876. The first report was accompanied by tables showing the consolidation in outline. The second report announced the completion of the collection of the Imperial Acts, and contained suggestions for legislation to remove discrepancies discovered in the course of the work, and otherwise to facilitate consolidation. Specimens of the work done were also submitted with this report. With the third report was submitted a draft of the Revised Statutes, which was laid before the Legislature at its Session in 1877.

A volume of 633 pages, being a portion of the collection of enactments of the Dominion of Canada, and of the Province of Canada which were not within the legislative authority of the Legislature of Ontario, was presented with the second report; but the completion of this portion of the work of the Commission was afterwards abandoned, in view of the preliminary steps which had been taken by the Dominion Government for a Consolidation of Statutes that would include the Acts of which the Ontario collection would have been composed.

The enactments of the Session of 1877, were pursuant to the Ontario Act, 40 V. c. 6, incorporated in the Draft Consolidation above mentioned, by a commission appointed by the Lieutenant-Governor, composed of the following members: the Honourable Chief Justice Draper, the Honourable Mr. Justice Strong, the Honourable Mr. Justice Burton, the Honourable Mr. Justice Patterson, the Honourable Mr. Justice Moss, the Honourable Vice-Chancellor Blake, His Honour Judge Gowan, the Honourable Oliver Mowat, Attorney-General, and Thomas Langton, Esq., Barrister-at-Law.

The completion of their work was reported by the Commissioners on the 20th November, 1877, to His Honour the Lieutenant-Governor, and the Revision being approved of by him, a proclamation was, on the 7th December, 1877, issued, declaring the Revised Statutes to be in force on, from, and after the 31st December, 1877.

7. "The Revised Statutes of Ontario, 1887," were prepared by a Commission, appointed the 11th day of December, 1885, composed in the first instance, of the Honourable George William Burton, the Honourable Christopher Salmon Patterson and the Honourable Featherston Osler, Justices of the Court of Appeal; the Honourable John Alexander Boyd, Chancellor of Ontario; the Honourable John Edward Rose and the Honourable John O'Connor, Justices of the High Court of Justice; His Honour Joseph Easton McDougall, Judge of the County Court of the County of York; the Honourable Oliver Mowat, Attorney-General of Ontario; the Honourable Arthur Sturgis Hardy, Provincial Secretary; John Galloway Scott, Esq., Master of Titles, and John Robison Cartwright and Frank John Joseph, Esquires, Barristers-at-Law. By a subsequent Commission, bearing date the 31st day of December, 1885, the Honourable Alexander Morris, Ex-Chief Justice of the Province of Manitoba, was added to the Commission. The Commissioners were appointed for consolidating the Public Statutes of the Province of Ontario, and were directed from time to time as they, or any three of them, might think proper, to report to His Honour the Lieutenant-Governor of Ontario, their proceedings and progress of the work entrusted to them, and in all things, not in the Commission contained, to be guided by the instructions received from time to time from His Honour the Lieutenant-Governor. The Commissioners made their first report in the month of March, 1887, accompanied with a draft of the Consolidated Statutes, and indicated the manner in which the work had been prepared. The enactments of the session of 1887 were pursuant to the Ontario Statute, 50 Vic., c. 2, subsequently incorporated in this Draft Consolidation by the Commissioners.

The completion of the work was reported by the Commissioners to His Honour the Lieutenant-Governor, and the consolidation being approved of by him a proclamation was, on the twentieth day of December, 1887, issued, declaring "The Revised Statutes of Ontario, 1887," to be in force on and after the 31st day of December, 1887.

By a further Commission bearing date the 26th day of September, 1906, the Honourable James Pitt Mabee, one of the Judges of the Chancery Division, and His Honour Colin G. Snider, Judge of the County Court of the County of Wentworth, were added to the Commission.

By a further Commission bearing date the 7th day of December, 1906, the powers of the Commission were enlarged, and the work of revision and consolidation was proceeded with as indicated in the Report which is printed at page cxxxvii of volume III of R.S.O. 1914.

Before the completion of the work the Honourable William Purvis Rochfort Street and the Honourable James Pitt Mabee departed this life.
